

THE EAGLE

St. Elizabeth Ann Seton Elementary School
A Publication of the Home and School Association

SUMMER 2006

Lisa Mayer
President

Well, I have to admit that when I accepted the job to be President I never expected it to turn out the way it did. Who would have thought that months of my term would be spent away from St. Elizabeth? Needless to say, everything got back to the "new normal" and we were able to accomplish many of the things that we do every year. We also dealt with many changes and I would like to thank all of you for bearing with us during this past year.

St. Elizabeth is an incredible place to be! Our children receive a wonderful academic and religious education and truly enjoy school. I know that this is due to the faculty and staff that we entrust our children to daily and I thank them for everything they do. I would like to especially thank our Home and School Board and committee members. Without you St. Elizabeth would be sorely lacking in funds and spirit. The activities and fund raisers that our Home and School put together bring us together as a community and are vital to our growth. Please continue to support them and offer your help whenever possible!

Speaking of fund raisers, we netted over \$45,000 at the Auction. This is due in large part to Evelyn Lugo, Angela Hebert, and Dana Bennett who brought our Auction back to St. Elizabeth and did an incredible

job! Let's not forget everyone else who actively participated in making the Auction a success. Thank you!

I would also like to congratulate our Seton Award recipients. The Seton Award is given each year to an outstanding volunteer and is voted on by the Home and School Board and committee members. This year's award went to P.J. Hahn and Joe Calderera, both of whom were instrumental in getting St. Elizabeth back on her feet post Katrina. Thank you for going beyond the call of duty!

I hope that everyone enjoys the rest of their summer! Ben is gearing up for a wonderful year and I know that all of you will be there to help him. My hope is that his year will start out much calmer than mine did.

See you in August!

God bless you and your families!
Lisa

TOGETHER WE BUILD,
UNITED WE SERVE

A LETTER FROM THE PRINCIPAL

What a truly unforgettable year. Because of the efforts of so many, we were able to have a very successful school year. We have such eagle pride for all of the achievements of our students this year. Inserted in this month's Eagle is a listing of our students' accomplishments in both co-curricular and extra curricular activities. These awards could not have been achieved without the ever-present support of many faculty, parent moderators, and coaches.

Our school community has so much for which to be thankful. We have received donations from throughout the country for hurricane relief. We have received school supplies, toys, blankets, clothes, gift certificates, and monetary gifts in excess of \$26,000. The generosity of others has been a blessing to us. Each donor has received a Powerpoint CD of our recovery efforts. It was produced by our Student Council Officers and Mrs. Dupuy. Another generous gift that we received enhances out kindergarten classrooms. Please note the Ace Hardware article that appears in this issue.

As we plan for next year, we ask for your continued support through prayers. In June we celebrated our parish's 25th anniversary. Because of the leadership and foresight of Archbishop Hannan in the early 1980's, we became established as the only Catholic parish with a school in north Kenner. I remember attending the first parish meeting when we were able to vote on our parish name. Our patroness had only been named a saint for five years. She was a teacher, convert, wife, and mother. She is still a 21st century role model in terms of her belief that God will provide.

Have a wonderful summer with your children. They have been so good to teach this year. I know there were some challenging days for them and for your family. Our faculty has said on many occasions how great the children were to each other. You should be very proud of them.

Joan Danos, Principal

**“SEAS” ON SAFARI
2006 ANNUAL AUCTION—MAY 5, 2006**

Thank you to everyone who contributed to making this year’s auction a success. Without the efforts of countless parents and friends of SEAS we would have never been able to transform the church into a Safari wonderland. For one night, we came together as a community to enjoy each other’s company and to raise funds for our school. We are truly blessed to have each other—our friends and family. Please continue to support our event. We look forward to seeing everyone next year.

The following businesses helped to make our auction a success. A special thank you goes out to them for their continued support. Please support these businesses that help our school.

2006-2007 SCHOOL INFORMATION ON SEASPARISH.COM

As we start the new year you will notice changes to the parish website. As an ongoing service to our parents we will be posting necessary forms and information on the website. Please refer to this site whenever you may need information or forms.

To access the forms, go to seasparish.com, click on school, and then Forms Library. The following forms are available at this time: School Supply Lists, Pre-k Orientation, Kindergarten Orientation, Summer Reading, Shoe Policy, Extended Care Information, and Extended Care Registration. You can also access the 2006-2007 School Calendar, and during the school year the newsletter, handbook, and lunch menu.

We also send out important reminders and emergency alerts via email throughout the year. If we do not have your email address on file please send it to: seasnews@yahoo.com

KINDERGARTEN CLASSROOM UPDATE

Last month we learned that we were one of 10 national finalists in the Ace Hardware *New Faces for Helpful Places* contest. As a result our kindergarten classrooms have been wonderfully designed by Ace Hardware volunteers. Among the corporate celebrities to help us were Lou Manfredini, Today Show's Mr. Fixit, and Bill Rancic, the first Apprentice. Both worked tirelessly to give our teachers and students a dream room. The Ace crew installed bulletin boards, cabinets, TV/DVD, storage shed, toilets, sinks, blinds, and a loft. Labor, materials, and equipment are valued at \$10,000. We thank the many SEAS volunteers who also assisted with the success of this project. The faculty prepared a fabulous southern style lunch for all to enjoy. After our kindergarten teachers have added their personal touches, we will have an open house for all of our parishioners to share in our joy.

Please check the Ace Hardware web page (www.acehardware.com) to read the compliments written about us from Lou Manfredini.

Grandparent Club News

We are looking for any grandparent who would like to join the Grandparents' Club. The Grandparents' Club will be hosting a luncheon for the teachers on Monday, August 14. Anyone interested in helping cook or serve please contact Linda DiMaggio (305-5669). The grandparents will also be staffing a booth at the Parish Fair in October. Volunteers are needed for our booth. The first Grandparents' Club meeting will be held after the teachers luncheon on August 14.
