

As you may already know, SEAS Student Council of 2008-2009 was recently elected. A total of thirteen seventh grade students entered the race. All students campaigned Thursday, September 4<sup>th</sup>, and were scheduled to say speeches the next day, Friday, September 5<sup>th</sup>. Due to unexpected weather the speeches and voting were moved to Monday, September 8<sup>th</sup>. All candidates were suitable for the position for which they applied. Fourth through seventh voted Jordan Owens and Ryan McKeough to have the important duty of being Co-Presidents, Brooke Roberts to have the many tasks of being Secretary, Caitlyn Mayer to handle school money as Treasurer, Lauren Hebert to take pictures as Historian, and Luisa Ramirez to tell the SEAS community the school news as Reporter. Anne Bilinski is in charge of all student council representatives as Student Council Officer. Student Council will be in charge and will help set up many fun events that will occur this school year. They will also think of fun ways to earn money for the school and for the missions. It is a big responsibility to be on Student Council but it has many rewards. The students will do their best to be good role models to lead and guide the school as the Student Council of 2008!
